Pharmacy Technology Solutions — May, 2013

PharmaClik Rx Reports: *Compliance Blister Packaging Report*

- *The Compliance Blister Packaging report provides a list of all prescriptions filled for a patient that have the Blister flag checked or turned ON*
- *This report meets all the criteria outlined by the College of Physicians and Pharmacists*

1. From the Workbench, press or click the **More** button.
2. Press or click the **Reports** button.
 - *Clicking the Reports button opens the Reports Application while keeping you logged-in to PharmaClik Rx*
 - *You will have the same security settings in Reports as you do in PharmaClik Rx application*

The Reports application can also be accessed from the desktop, Patient folder and the Group folder

If you are unable to access certain reports, this is due to security restrictions to your PharmaClik Rx User ID

The screenshot displays the PharmaClik Rx interface. At the top, there are tabs for 'Prescriptions' and 'Activities'. Below these are buttons for 'New', 'Refill', and 'Process'. A 'Pharmacy' dropdown menu is open, showing options like 'Housekeeping', 'Counsel', 'Updates', 'Mixture', 'Groups', 'Supplier', 'P.O.'s', 'Order Pad', 'Reports', 'TP Reports', 'List Maint', 'Import', 'Export', 'Ontario', 'Help', 'Minimize', and 'About'. The 'Reports' option is circled in red. Below the menu is a table with columns: 'Entered', 'Activity', 'Patient', 'Doctor', 'DIN', 'Trade Name', and 'S'. The table contains four rows of data, with the first two rows starting with a red 'R' in the 'Entered' column. At the bottom of the interface, there are buttons for 'Rx', 'Select All', 'Correct', 'Sort', 'Filter', 'Notes', and 'Review'. On the right side, there is a vertical toolbar with buttons for 'Workbench', 'RX Detail', 'Patient', 'Drug', 'Doctor', 'Log Off', 'More', and 'Exit'.
